

Guide to Player Registration

Once the fixtures have been made the next step in getting ready for the new season is registering your players. Hopefully this guide will help to ensure everything goes smoothly for both the league and the clubs. Please pay attention to the number of players that are allowed to register per age group.

5v5 may sign a maximum of 10 players

7v7 may sign a maximum of 12 players

9v9 may sign a maximum of 14 players

11v11 may sign a maximum of 17 players (except Under 17s, who may sign a maximum of 20 players)

Filling in the Registration Form

1. **Players Name** - Put the name as you want it to appear on the website. For example, we will not change James to Jamie if that was not put on the form. One Christian name is sufficient unless you have 2 players with the same name. Initials for Christian name(s) will not be accepted.

2. **Club** - Put the name of the club plus any suffix e.g. Bees, Reds etc.

3. **Nationality** - FIFA regulations state that any player over the age of 10 at the start of the playing season cannot play outside the country they were born in unless they have International Clearance. Therefore, if a player is not born in England, is over 10 at the start of the season (i.e. 11 or older) and has not been previously registered with the Mid Lincs League, they will need International Clearance before being registered. This also applies if a player comes from Scotland, Wales or Ireland.

4. **Age Group** - e.g. U14B (not just 13 or 14).

5. **Date of Birth** - The commonest problem, please check carefully - DO NOT use date of filling in the form or a sibling's date of birth.

6. **Photos** - 2 photos should be glued to the forms - DO NOT use staples. Photos must be clear, passport size (no caps etc.) and in colour.

7. **Signatures** - **Make sure all 4 signatures are completed. DO NOT write on the bottom line.** Managers and clubs are responsible for ensuring the details on the form are correct. The chairperson takes final responsibility to ensure details are correct. In the absence of the chairperson the forms may be signed by the vice-chairperson or the club secretary as long as this is clearly stated. Please check the parent and player have signed in the correct places and please leave the bottom line for the registrar to accept registration and sign accordingly.

Remember:

Fill in both halves of the form but DO NOT cut them in half.

Write clearly in BLOCK CAPITALS.

Signing these forms means that everybody agrees to adhere to the League Zero Tolerance Code.

Get the forms to your relevant registrar as soon as possible. If posting, please make sure you have put on the correct amount of stamps. Please do not send registered or signed for delivery.

Finally, you as manager of the team are responsible for the forms being filled in correctly and for their safe keeping throughout the season.
